Dear Customer

We Want Your Used Attachments

B & B Attachments is the UK's sole distributor for three of Europe's leading manufacturers of forklift truck attachments and masts. We also supply specialist attachments, designed and developed to order and offer the most comprehensive aftercare service available in the forklift truck attachments industry. Hire and used equipment sales also form part of our activities.

B&B Attachments has an extensive range of hire Attachments but is looking to expand the current stock for our casual hire fleet. In particular we are looking to buy back used KAUP, Cascade or Auramo Bale Clamps both rotating and fixed, especially the 2500 – 3200kg ranges, but we are also interested in any buy back potential

If you have any attachments which meet this requirement please contact us on **01670 737373**. We will send out a service engineer to see if the Attachment meets our criteria and then if appropriate make you an offer

We look forward to hearing from you.

Yours faithfully
For B & B Attachments Ltd

John Lamberth
Operations Director
